“ Will never be another Richard Wilson.. He was always smiling and could make you laugh at any given time. He loved life, people and especially his wife, Nancy. They opened their home for so many throughout the years. Always a fun time with them both.. They loved volunteering and fund raising..We raised money for Relay for Life, Habitat for Humanity (where we raised enough money to build a house for a special family) Big Brother Big Sisters, so many more during all our years at Hickory Hill together... He would jump in and help do whatever Nancy would tell him..LOL. They were very adventurist. Loved traveling and anyone that wanted to go could load up and go..The more the merrier...I remember my first trip with them and a group of others. I experienced Mardi gras for the first time.. They Introduced me to my first beignets at The Cafe Du Monde in the French market... I was shocked Richard had bought everyone's. He and Nancy were always so generous, and always put others before themselves....I can't say enough about this beautiful couple.. Richard will be greatly missed by so many.. Nancy, I am praying for you and your loved ones at this sad time...Love you, dear friend..<><
