“ I am heart broken to hear of Tim's passing. I met Tim in 1988 when I started working at Peoples Federal and we became fast friends. Tim was a standout loan officer when it came to dealing with people, Tim was so bright and thoughtful that he always remembered certain things about different customers that he could recite on a moments notice. We shared at least 100 meals together at his place on Fish Lake and Main Street. He was an awesome chef and took great pride in his ability to cook anything that he set his mind to. The night I proposed to my wife we all celebrated our engagement with Tim at his Fish Lake home, as he was the 1st friend to find out over 28 years ago of our engagement. He was truly one of a kind and Sherry and I will miss his keen sense of humor and his politically incorrect birthday cards that he would send that would make me laugh for days. He was so kind hearted and always wanted to do something to help someone else out. Tim's all time favorite dish, that I always had him cook, was My Cousin David's Szechwan Chicken. Please google this recipe and prepare this great dish in honor of our friend and colleague Tim/Tom. RIP my friend.

“ Saddened to hear of Tim's passing. What a guy! He worked with Charley at Farmers State Bank for several years when he lived on Fish Lake near Lagrange IN. Had some memorable themed parties at his house there. When our son was deployed to the Middle East back in the early 2000's, Tim would regularly check with us on how we were coping. After he moved to Kendallville & knew how much I liked cats, he begged me to take a stray he'd friended. Sara & Charley Fisher

“ Tim and I worked together for many years at People’s Federal Saving Bank and we had a great friendship through the years. We attended many banking classes together which the drive to Fort Wayne was full of fun and laughter. He taught me his job when he was given the Branch Manager at our LaGrange Office. We always remembered each other’s birthday and he always had a funny joke which he would share with me.

I will truly miss my annual Birthday messages from him and will cherish the friendship we maintained throughout the years. Timmy, Rest In Peace my friend!

“ It saddens me to hear of Tim's passing. I worked with Tim at Peoples Federal for many years. He had such a great sense of humor. He always took so much pride in the work that he did to his house. He would always invite me to stop by to see what he had done. I used to dog sit for him when he would visit his family in Alabama. Tim loved to bring samples into work whenever he found a new recipe. He smoked a "mean" turkey breast. My deepest sympathy to his family.
