“ *Mr. Rochford was my favorite customer. I always set up a table for him and for miss Joyce on Sunday mornings and I always loved seeing them eat well and talking with them. I was heart broken when they stopped coming to the restaurant, but I was so thankful that Mr. Rochford's daughter Linda brought them in so we could say goodbye. I'm so thankful for that, truly.*

Their table was table 11, and every Sunday morning I leave it open.

I'll miss mr. Rochford forever, and I think of Miss Joyce every day. Youre all in my prayers. I'm so sorry for your loss.
