“ *Amanda is my best friend of almost 30 years. I am just so at a loss for words for my lifelong friend. I talked to my friend everyday and I feel lost without her. She was such a kind soul and we had so many many laughs thru good times and bad. We loved each other so much and we went to the same high school and knew some of the same ppl and worked the same jobs. I pray now that she is an angel watching over all of us who loved her. I will forever miss her and grieve over this unexpected loss of the best friend and person I ever knew. Love you Amanda! RIP.*
