

## Anne C Briggs

January 1, 2022

No obituary found for this tribute.

# Tribute Wall

“ Anne was not only very kind and caring to so many friends and people, but also very kind and caring of the earth. She also had a special gift for animals as they all loved her. She was so much more than a good friend and loving sister....she was a very special lady and you were better for having known her. God Bless You, Anne.
