“ I knew Armone Delorme at Valdosta Technical Chool, in 1978. I have thought of him many times through the years. I know he was an US Army Vet, and was about 25yo at that time. He was very much a happy guy, and I regretted never seeing him again. We played many games of pool together,, and drank beers at Lunch,, before going back to Welding Classic!
I Wish I had tried to contact him, but such is Life. I have missed him alot, and he is the only French/American I ever knew. The knews of his passing, and never having the chance of meeting him again, leaves me in a very melancholy state. So Long, old Friend! May we meet again, over yonder.
