LN

“ *Barbara was a beautiful and sweet lady I met during dialysis treatments. She will be missed.* ”

---

**Larry W. Nichols** - February 17 at 06:02 AM

LE

“ *Barbara was a joy to see throughout my week. She had a welcoming personality, very funny, and very sweet. I will miss that woman and all her stories she used to tell about growing up . My favorite was when she recalled a boy bullying her brother-- She punched this boy for picking on her brother, then later on the boy asked her out on a date... Barbara will be missed.* ”
