“ *In loving memory of Ben,
At the young age of 37, we say farewell to a remarkable soul who lived a life filled with passion and joy.
Ben's love for running was not just a sport for him; it was a testament to his determination, perseverance, and zest for life. His friends held a special place in his heart, and the bonds he formed with them were a source of strength and happiness.*

Each January, I had the pleasure of joining Ben in reliving the simple joys of childhood. The things we missed as kids, but found a shared joy in as adults. Flying kites and smashing pennies on the railroad track were not just activities; they were expressions of the carefree spirit that defined those days in Gulfport in January. These moments with family, were filled with laughter and our shared memories, will be treasured forever.

As we mourn the loss of Ben, we also celebrate the beautiful life he lived. May we find solace in the memories we shared, cherishing the laughter, the camaraderie, and the warmth that he brought into our lives. Though Ben may be physically gone, his spirit and the impact he made on each of us will live on, a testament to a life well-lived and a soul deeply loved.

In honor of Ben, we remember him in our collective stories, and embraced him in the memories of all who loved him.

May he rest in peace, surrounded by the echoes of laughter and the love he so generously gave.

*With deepest sympathy,
Monica*

“ Ben's energy and kind smile will be greatly missed. Enjoyed coaching him in baseball with my son Adam. Always excited to talk about his radiology courses and work at Ingles. We all think that you were taken away too soon. Coach Alan Alig

“ *Ben,
It's almost hard to believe you're really gone.
I didn't realize how many pictures we had together, but also how many we didn't.
We truly were a big family at Walgreens. I had never gotten so close with people I worked with but I'm glad I have all of these people in my life, even if we don't talk every day.
I'm still waiting for a text saying "hey squid" or "how's it going squidward" because you never went longer than a month or so to check in. I wish I did better, but you never blamed me.
You never failed to ask how Sedona was doing. You loved her like you loved little Cody.
You were a good friend to all of us and I'm thankful for every memory.
We love you Ben-jamin!!*
