“ I so enjoyed our visits and hearing your stories. You always made me feel at home and you were as sweet and perfect as my grandmas were. When I told you I didn't have them anymore, you told me you were my grandma too, and you were. My heart is broken because I didn't get to say goodbye but I know you are so happy and pain free now. You are so missed, Grandma Betty. I love you and I will see you again someday.
