“ *Uncle Skip, Patty, John & Michael,*

I am so sorry for your loss. Aunt Betty touched so many lives. I remember picking fruit & walking with her & her telling me stories when I was a little girl. She always had a smile for anyone. I remember her helping Grandmother teach me how to sew when I would go to visit Grandmother in Roswell. She will be greatly missed.

“ *Aunt Betty, you were a safe house for me growing up. I loved your cooking! Nobody made chili rellenos and enchiladas better than you did. To me you were the perfect housewife and I wanted to be just like you. Thank you for all you did for me. I will always remember your beautiful smile and gorgeous blue eyes! Be at peace in the arms of the Lord!*

“ Dear Uncle Skip, Patty, Michael, and John,

Paul and I and our family wish to express our great sorrow for your loss. Growing up, Aunt Betty was such a rock for us when our mom or dad couldn't be there. She taught me so much about how to be a better person by her thoughts and deeds. She lived and taught by example the right way to be a good, strong and compassionate human being because that's what she was. God bless and comfort you all. You know she is watching over you all and will forever because she will always be with us in our hearts and minds.

“ Aunt Betty was the BEST. She always had the biggest smile in the room and the bluest eyes you ever saw. I have the fondest memories of growing up with her around because she was always laughing. I loved the stories she told me when I was a teenager in Roswell. My favorite story being about when Jesus visited her at the foot of her bed. She was always there for me if I was feeling down. I will never forget that. She would drive me around in her car to talk me off the ledge (figuratively speaking of course). I was blessed to have her in my life. I have no doubt that the Lord has always been particularly fond of Aunt Betty and He is happy she is with Him now.

“ *The world lost a dear sweet lady and a good friend to me and my family. We met in El Paso, Tx when I was a young soldier, and Betty made us feel like family. She will greatly missed.*

My condolences to Skip and his family.
