“ *No son was ever loved and adored by their Mother more than Bill and no brother could have ask or wanted a better sister than Lynne Casey. Bill soar high with your new and perfect soul! Be your sisters guardian angel and send her beautiful signs of your peace and love. God give Lynne strength adjusting to the new way without Bill. Love you my special friend. Pam and Jerry*

*I remember Bill as a kind and considerate co-worker. You could depend on him to do the job completely. I know he loved Lynne and didn't want to leave her but his flight number was called and he gladly boarded for his flight to glory. You will be missed but am comforted knowing we will meet again.*
