“ We could have never chosen any better friends than Bill and Kay Foust, however, we didn't choose. God alone brought us together. First as friends and then as family. Bill sing loud for me in the heavenly choir. Best friend ever!!!

“ Bill was a wonderful man who always sought to help others expecting nothing in return. He enjoyed golfing, playing card and board games. Bill was kind to everyone, was faithful to God and his church. Bill, you will be terribly missed here. I know God has spoken the words " Well done my good and faithful servant, you may enter." We will see you again one day. Steve & Diana
