“ *Our Dad. The most kind, gentle man. He provided for our family. He served our country. He made us laugh and feel safe and secure always. We never doubted his love. He Loved our Mom for 56 years. Its hard to express the feeling of loss. There is just so much to say. We will say it to him in our own way and in our own time, each and everyday as we think of and remember him. We are thankful for you. We miss you. We love you! Mom, Kimmy, Billie and Mike.*
