“ Bonnie AKA cat lady was the only reason I continued to patronize Circle K. No matter how long the line was Bonnie always asked you how your day was going and served you with a smile. I will miss that the most. She was able to brighten your day no matter how your day was going. She was a great person and her memory will live for ever with me. God Bless

“ *Ms Bonnie was the kindest, the most giving, caring, positive person I have ever had the pleasure of knowing. She always had a kind word, a smile to give. She always treated my daughter like a grandkid. Bonnie's passing will leave a huge emptiness in all our lives, and I hope she knew how she was truly loved by all. I'm so proud to have called her my friend. We all love you and will miss you dearly.*

Kathy Kolonis - May 14, 2017 at 06:35 PM

“ *She was always smiling, I would pick at her playfully about her Cats. She knew I was just picking and would tell me that I better be nice to her furry friends. She seemed to truly love helping these little guys . My heart is sad that in this cruel world we lost a Angel that thought about others more than herself...*
