He has 9 grandchildren, (Megan, Tara, Molli, Medea, Nic, Kyle, Colten, Allie and Anne), and 7 great grandchildren, (Lexie, Miley, Bradley, Evan, Kiley, Annalynn and Clyde).

Bernie was born in St. Andrews, FL on September 16, 1938. After being medically discharged from the US Air Force, Bernie went to work for Vanity Fair Mills and retired with over 30 years of service.

After retiring, Bernie went to work with the Baldwin County Board of Education as a school bus driver for almost 20 years.

Dad loved life and was extremely outgoing. He never met a stranger. He loved sports and was involved with coaching and umpiring for many decades. Most everyone that knew him as an umpire loved him. He was always fair and knew the game. He made many friendships while umpiring that have lasted through the years. Dad also loved cars and trucks or really anything that had a motor. He loved working on vehicles and was always fixing one or more that he owned.

Dad always liked talking to people. His favorite subject was the Bible and our Saviour. He wanted to share God with as many people as he could.

Dad could be stubborn at times but that is a Dorman trait. He also was one of the most generous people you could ever meet. He paired good with Mom because she was the same way.

Dad will be missed tremendously. We rejoice that he is free of pain, and is now resting with the Lord in heaven.

“ *Over 30 years ago Burnie an his wife Bonnie made me spend a tremendous year at their home.I will always remember the genuine love both gave to me.*

Burnie and Bonnie habe been preeminent persons,gregarious,reliable,immaculate.

I am lugrubbious and sorrowfully mourn the demise of my very best friends.

Resquiat in pace , the ole romans said in Latin, rest in peace.

I am contented by knowing that they are now in heaven.

This alleviates the grief, the sorrow an the affliction.
