

Carol King

December 25, 2025

Carol Ann King, age 85, was born on January 4, 1940, and moved into her “Mansion Over the Hilltop” on December 25, 2025, surrounded by the promise of Christ’s birth and the joy of heaven.

Carol was preceded in death by her beloved son, John King Jr. She is survived by her devoted husband of 67 years, John R. King; her children, Kathryn Robbins, Joseph King, Terrance (Maria) King, and Thomas (Trish) King; her cherished grandchildren, Amanda, Rachel, Megan, Jacob (Jamie), Sydney, and Daniel; and her treasured great-grandsons, David, Daniel, Miles, and Weston.

Carol was a pillar of faith whose life reflected her deep love for the Lord, her church, and her family. As a pastor’s wife, she faithfully served alongside her husband and became a loving mother and grandmother to countless young people in the churches where John pastored. Her warmth, encouragement, and steadfast presence left an indelible mark on all who knew her.

She especially loved music and actively led her church’s “Singing with the Saints” group. Those who worshipped with her will fondly remember her joyful voice lifted in praise. Today, we rejoice in knowing that Carol is now singing with all the saints and angels in glory.

Carol was also known for her gift of hospitality and her exceptional cooking. She took great pride in preparing meals for family gatherings and church dinners, and nothing brought her more joy than seeing her dishes cleaned out—clear evidence that her love had been well received.

Carol Ann King's legacy of faith, service, love, and generosity will live on in the hearts of her family, her church family, and all whose lives she touched.

Though she will be deeply missed, we celebrate her life and her eternal home with the Lord.

I was so saddened to hear about Carols Passing, she was such a blessing in my life.

Carol and I met at Waylands Assembly of God in Michigan many years ago when John and her ministered there. We found out that we had grandchildren just a couple days apart. Her Jacob, and my Abrina. We became fast Friends. She was one of the kindness, lovable women I've ever known. When she moved to Jackson Mi. We would meet in Lansing for lunch at PF Chang's, it was a half way point for the two of us since I lived in Grand Rapids. We continued to do that once a year after she moved to Alabama..we would pick up right where we left off and spend hours eating and talking, John would sneak off and take a nap in the car. We always had such wonderful times together. I loved her like a sister and we would talk about the fact that one day we would have eternity to spend talking and spending time. I know she heard " Well done thy good and faithful servant, enter into thy rest." She is now out of Pain and free from all earthly cares. My loving condolences to John and her family whom she loved with all that she had. May God give you His Peace and Love as you walk through this valley. My love to All of you, Judy Bellamy 01/06/26

“ I met Carol when John and her Pastored at Wayland Assembly. We became fast friends. She was such a wonderful, loving and fun to be with friend. After they moved to Jackson we would still meet for lunch on occasion in Lansing at PF Chang’s since I lived in Grand Rapids and it was about 1/2 way for both. When she moved to Alabama we still would meet once a year at the same place and pick up right where we left off and spend hours eating and catching up. John would sneak off and take a nap in the car 🤤 Its been a couple years now since we’ve been able to do that and I have missed our time together immensely. We always said one day we will have all eternity to catch up and now I know she’s there and one day soon I will see her again..I love you Carol. I’m sure you heard, “ well done thy good and faithful servant, enter now into your rest.” My deepest sympathy for you John and all her family who she loved without measure and unconditionally. May the Lord comfort each and every one of you with His love and Peace.

“ When carol and John first moved to AL, our mutual friend, Ray, saw carol and I standing side by side. He said, you know what we've got here? We looked at each in puzzlement, never knowing what Ray would say. He said, "we have a Carol-line... cheezy, yes. But it stuck. Carol and I had many laughs, cries, hugs, promises. God brings people into our lives. A privilege to have her as a friend and be a friend.

“ *I LOVED getting my sticky cake from her every year on my birthday.*

Another favorite memory is when we celebrated mom's birthday at that Mexican restaurant on the causeway and her and pops had bibs on! Always the life of the party!
