“ *Nanny, you are already missed so much. It comforts me to know that you are finally at peace yet it breaks my heart that you are no longer here. Anyone who met you could see the radiance and humor you exuded. I don't even know what to say to be honest. So, I just want you to know that I appreciated everything you ever done for me and I pray that you watch over all of us. Give Mom the biggest hug from me and let her know I miss her so much. We will all be ok so you can rest now. Until I see you again. I love you to the moon and back* ❤️ 🥹 🖤
