KB

“ I worked with Charleen in the Head Start program at Magnolia Sorings. She always had a smile, helping hand, and forgiving heart. I'm so sorry to hear of her passing and I hope she is at peace and pain free. I hope her beautiful smile and loving heart live on in the memories and lives of her loved ones.

“ I'll always remember Charlene's sweet smile. She had such a beautiful glow and her relationship with her Creator showed when she lit up with her twinkling eyes and love for her family.
