“ Can't tell you how sad Barb and I felt at news of CHUCK. Spent many nights staying with Chuck when I traveled the northeast while he coached at Lincoln-Ancona..Both Chuck and Carol were always good friends. He was a great coach but a better person.

“ Chuck coached my oldest son in baseball and there wasn't a day I didn't learn something from him!! He was an unexpected mentor to me and taught those who knew him how to coach and teach with class just by his example!! I loved talking with him and telling stories for hours! I will miss that the most and a hole is left in so many of our hearts. I miss ya buddy but keep a seat up there warm for me & I'll see ya soon to keep the stories rollin! 😊

“ My nephew played basketball for Coach Miknis and I did not miss a game. Hearing of his death was very sad. He was a fantastic person. I am sure he influenced the lives of all that he taught or coached. My condolences go out to his wife and son. You now have an angel in heaven that you know.

“ *As a basketball official it's not always fun reffing but when Chuck coached it was always a good experience. He was nothing but a gentleman and a CLASS act. May he RIP.*
