“ *Our sincere condolences to my sister Becky and family, the Miller family, and friends. Although we did not know Chuck as well as many did, I do know that he was a good man and good to my sister Becky. What do we say that could ease the pain of losing someone on such short notice? I can only say to just keep your memories close and know that there is no more pain and Chuck is now in a better place than one could imagine. From the Robertson family, we send our sincere condolences and prayers to everyone whose lives were touched by Chuck's life, and we wish each of you comfort, peace, and healing. May God's Blessings be with you all....The Robertson Family*
