

Charles Pierce

February 24, 2026

With heavy hearts the family announces that Charles Pierce, a devoted husband, loving father, and proud grandfather, passed away peacefully at home, on February 24, 2026. He leaves behind a legacy of hard work, dedication, and an unwavering love for his family.

Charles lived a life defined by his hands; whether coaching football, working at Uniroyal, running his own landscaping business, or caring for his horses. He took great pride in his work, approaching every task with a strong sense of purpose. Those who knew him understood his work ethic and his devotion to his family and friends.

His greatest joy in this life was his family. Charles was a steady and devoted presence in the lives of his children and grandchildren, offering guidance, support, and a love that needed no grand gestures to be felt. His devotion to his bride Frances could be seen by those who had the pleasure of knowing him. He was always quick with a joke, a word of correction, and a huge infectious laugh. His favorite place was to be in the company of his family and friends.

Anyone who knew Charles knew his love for horses. He was an old soul who espoused the ideas and passion that was common of those who came before. Whether raising, training, or simply tending to his horses, Charles found a peace in their company that few things could match.

He leaves behind a family that will carry an life time of memories, stories, and love. He is survived by his wife of 58 years Frances, daughter Trista Houck (husband Jeremy), son Jason Pierce, and daughter Tina White. Four grandchildren: Trafton Houck (finance Lydia), Rylan Houck, Micah Pierce, and Wynter White.

Charles will be profoundly missed and forever remembered. A memorial celebrating his life will be announced in the coming days.
