“ We, the Foley Class of 70, are so sorry to learn we have lost our dear friend. Willie was one of the smartest guys in our class, and was such a kind hearted soul. He spoke with me for hours on the phone, quite a few years back - and I was taken by what a great voice he had - sounded like a professional radio or television announcer. We loved having him and his devoted wife join us for a few of our C/o 70 Nights out, at O'Charley's. A wonderful guy, Willie will be sadly missed. Our condolences to his family, Pamela Gaudette (former classmate & friend, Foley Class of 70).
