

## Cheryl Lynn Allison

June 22, 1959 - March 6, 2020

Cheryl Lynn (White) Allison

June 22, 1959 – March 6, 2020

Cheryl was born in Dothan, Alabama. She moved to Oklahoma City at the age of 11 and attended Star Spencer High School. She met Scott Allison in 2008. They married on October 29, 2011 in Tuscaloosa, Alabama and made their home in Orange Beach.

Cheryl is preceded in death by her mother Mary Lou Grant Hobbs. She leaves behind her father, George White; her sister, Teresa Hall; her beloved husband, Scott Allison; and many loving family members and dear friends.

Cheryl was happily retired, a homemaker and a caregiver. She cared for many family members and friends during difficult times. She also enjoyed caring for other's pets anytime she was needed. Many of Cheryl's family members attribute who they are today to what they learned from her, saying she taught them to love unconditionally.

Cheryl was an enthusiastic Auburn football fan and when she married into an Alabama football family, the fun began. She always kept it interesting! She dearly loved her family, her friends and her "fur-babies."

A celebration of her life will be held at a later date.

Arrangements are entrusted to Cason Funeral Service in Foley Alabama

“ Cheryl was one of the best things to happen in my life. I honestly know I would not have made it to adulthood without her. Everytime things seemed too much, and I simply could not continue she would appear. There would be YEARS I would not have seen or spoke to her, but every time and i mean everytime, I needed her she was there. Unfortunately, I never met her husband, but he and his family have my love and prayers. I thank you all for making Mama Cheryl happy.

*What a joy you were to our family! A good sport, loving and compassionate and a sacrificial love for those around her. See you in heaven because of what Jesus Christ did for us.*

*My Darling Daughter, I start to dial your number, then I realize you are not here. You are in Heaven, rooting for your Auburn Tigers. I will always cherish the times we talked and the times we shared together. I remember times, like when I took your beloved Olds Cutless and sold it. I always regretted doing that. As always you forgave me for that. You were my only Child and I will always love you. I will miss dialing your number and talking to you. I love you, my Darling Daughter.  
George White, Dad*
