“ So sorry to hear about your mom's passing. My mom and dad, Beryl and Elward Whitfield, had been calling to check on her re surgery I believe your mom had had, She had left messages and never heard back. When talking to my mom today she asked me to look on the computer to see if she had the right number, or if she had one of the daughters right number. In doing so, we discovered that she had passed and are truly sorry. My dad is Ryan's cousin, and they would often meet halfway to their home to go to the casino in Miss., My mom was very fond of Miss Clara..... Codolences to you and your family
