“ *I love you Buddy and will miss your voice and laughter we shared. I know you fought a hard battle and I am not ready to say bye cause my heart is too heavy. Happy you are with our dad,mom, and sisters, brothers in heaven. All your friends here in Texas miss you. I will love you forever and always.*

“ *Rest in peace my only brother, Buddy. You are missed and I know you are now in Heaven with our family free of fighting your battle for so long. I have wanted to call you every day since Saturday just to hear your voice one more time. It does not seem real yet and my heart is still hurting but you are at peace. I will miss and. Love you always, your little sister,Brenda.*
