“ My prayers are with Sara, Josh and Amy over the loss of their loving father and my friend Claude. I have known Claude for most of my life and we grew up virtually across the street from each other. We both went to Woodcock Elementary School, Barton Academy Junior High School, Murphy High School and the University of South Alabama. We played ball together at Rickarby Park and we shared many happy times growing up together. Claude was always a loyal friend and he was gracious and kind to my family! He will be missed. “ Claude & Sara Boone Family.
We are so sorry about Claude. We all share great memories to gather, and we will
Never forget all the fun we had together over the years at the beach. He showed me how to make red beans and rice from his mother's recipe and I still use it today. He could really cook.
God bless you all.
