“ *I am so blessed and thankful that I had Cliff in my life for the last 4 years. It's hard to believe it was only 4 years. It seems I've known him all my life. He was that kind of man. He loved so many things. His wife Cheri most of all. Cliff became like a father to me in some ways and a big brother in others. He will be missed so much. I'll be listening for his 4 wheeler and getting his cup of coffee ready for him for a long time in my heart.  
I'm so sorry Cheri. He was one of a kind. We love you.*
