Before retiring to Foley, AL to be near family, she worked for Dumas Wesley in Mobile. Faye was passionate about her family and enjoyed traveling, bowling, sewing and supporting anything her children and grandchildren were involved in.

A Celebration of Life for Mema is planned at a future time.

God knew you were getting tired,

An earthy cure was not to be,

So he put His arms around you

And whispered "come to me."

With tearful eyes we watched you,

Then saw you pass away.

Although we love you dearly,

We could not make you stay.

A golden heart stopped beating,

Hard working hands at rest.

God broke our hearts to prove to us,

He only takes the best.

“ *Memories from an old friend and boss. Faye and I shared a lot of good times many years ago. We lost touch as people do and I tried to locate her without success. She was a good employee and a great friend. I'm 88 now and recovering from a broken hip. If someone could call or text me at 251-458-1440 to let me know the arrangements for her memorial service, I would like to attend if possible.*
