“ To Craig's immediate family:

I am sorry to hear news of Craig's passing.

Family ties remain strong whether we relate from a distance or through other mutual relatives.

Mammy Pope, our paternal grandmother sent letters to me (and everyone) often. I was going to college that year of Craig's birth. On May 12, 1969, Mammy wrote me "Billy's Eloise is up and around expecting to go to the hospital any day....they want a girl--except Billy Boy wants a boy."

And so, there came two more boys after Betty Ann.

Always, I love and think of you all.

“ I wish I could adequately convey to the Pope family how special this man was. To the entire Robertsdale Community, and especially the class of 1987, he represented the best of all of us. I am so sad Craig is no longer with us because he had such a gentle way of taking us back to the good; to the old school days of what a true southern gentleman and loyal friend should be. This world was just a better place with him in it. We will all feel the void of losing this special man. May the Lord comfort your family and bring their hearts peace and joy in the beautiful memories of you. And if there is a message system in Heaven, I hope you can receive all the love being sent to you right now. Looking forward to seeing you one day in Heaven. But until that day, rest in the arms of love and peace my dear friend.
