“ *My beautiful cousin Darlene was truly a selfless woman. We did not have the opportunity to spend much time together as kids but got to know each other over the telephone. She spent countless hours encouraging me while my husband battles cancer as she herself was in her own battle. I loved to listen to her talk about her beloved Jack, son Matthew and all of the children that they fostered throughout the years. I will miss our long talks and heart to heart connection. I picture her now dancing in heaven, happy and pain free! My love and condolences to Jack, Matthew and her grandchildren. Danella Hawkins*
