“ I'm Glenn Canup and I worked with a David Ferguson at Jones Truck Lines, we haven't been able to make contract lately . If this is the David that we worked with, some employees would like to pass this information on. I would always play a round of golf or he would come over for Dinner. He was always an up beat friend. He was a good friend to many--including my husband, Sid Bailey. So sorry to hear of his passing.
