“ David was one of my closest friends. We talked about everything, I even in some cases drove him crazy with singing my dead cow solos. I'm sure it was a nightmare. Miss him a lot. I know you're in a dimension with the one you loved and you're no longer trapped in a body that didn't match your soul. You're free, and I know you and her can be happy together. Rest in peace.

“ David was a wonderful friend who I spoke with on a daily basis. A person I could easily speak to if I ever needed to rant. RIP David and I'll see you again one day
