“ He had a big place in my heart he was(my brother in law) but I have been in the family so long he was my baby brother I never had ,We had some good time's together .His oldest brother is an over the road truck driver ,so he made a point to look after me when his brother was gone ,If it was just to got out of the house or fix my car I could always count on him to be there for me.Now I feel very lost with out by side kick ,God has receive a very good angle . Love you Mike I sure will miss you.
