“ *David and I met at the Met. Opera Ballet School. Then we went
together to Robert Joffrey for ballet classes. We performed in
outdoor dramas in Williamsburg, Va. we lived about 4 blocks from
each other in the West Village. He introduced me to France via his
apt. in Paris. We enjoyed exchanging our humor, the sense of the
ridiculous. I admired him for his focus on following thru on his "must"
list. He was determined, generous, interesting, fun. Lucille Ormay*
