“Debbie was always a delight and a kind and caring soul. I had the pleasure of working with her @ Hughes Aircraft Alabama and being a friend to her. She will be sadly missed. My condolences to the families.

*"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget"*
