My Brother: As kids, we lived together, we fought, we laughed, we cried. We did not always show the love, that we both had inside. We shared our dreams and plans, and some secrets too. All the memories we share, is what bonds me now to you. We grew to find we have a love that is very strong today. It's a love shared by our family, that will never fade away. You are my brother not by choice, but by the nature of our birth I could not have chosen a better one you were the best on earth. -Unknown Author.
