“ Annie, you know our hearts and prayers have been with you. Rick and I are so sorry for your loss. We didn't know your dad very well, but we do know you moved mountains for that miracle to cure his pain and suffering. Deril was, and everyone in our family are so proud of your efforts.. He is smiling down from those clouds above. He knows you are strong, capable, and will move forward remembering only happier times. Celebrate his love for life and the incredible journey you had with him. Peace, love and healing to you.

“ I met Deril a long time ago. He was my friend and I will miss him. If it weren't for him I would not have one of my best friends, his daughter and my niece, Annie. Most of all I will miss listening to Deril play guitar and his sense of humor. I know those precious things and many others live on with Annie. He was proud of her and loved her so very much, like I do, like we all do. My thoughts are with you Annie.

*I never met your dad, but I've seen your face when you talked about him. That told me everything I needed to know about him.*

*We are here for you if you need anything. I love you!*
