“ Rhonda, I am so sorry about the death of your mother, I wish I could have met her, and told her how much having you as my daughter in love as enriched our family. Your mother still lives in you. She will always be there with you, you may not see her, but sweetie she sees you and she hears you, and she knows how much you love her. Everyday she will be with you in your heart, because a mother's love never goes away, For every rain drop you feel on your face is a kiss sent from heaven from your mom. You are her daughter, and she lives in you and in your children , She will always watch over you.

*I love you as my own and I am hear if you want to talk,
Sabrina Newton*
