“ You as a family have my sincere condolences. Don was a special person whom I did service work in the oilfield and also electrical work at your home place. Don was always friendly. I remember once when we made a special bond when I purchased a pair of work boots and they were a half size too small and then one day I ran into Don and I was so fed up with my boots (must have had an extra pair along) that on a whim I offered them to Don and he said they were s perfect fit. Seemed delighted to walk off with my boots. I will miss him. Mike Unruh from Unruh Electric at Galva
