"I'm free, don't grieve for me, for now I'm free, I'm following the path of God laid for me. I could not stay another day, to laugh to love to work or pray, I found peace at close of the day. If parting has left a void, then fill it with remembered joy. A friendship shared, a laugh or a kiss, these things too I will miss. My life has been full, lift up your heart and share with me, God wanted me now, to set me free."
