“ *Ed Hewitt was one of the finest men I have ever known. I consider him to be one of the most important influences on my career and life. I can only strive to follow his examples. He was kind, giving, honest, hardworking, resilient, successful, grounded, and on and on. I was lucky to know him! I will remember him forever and think of him often. His passing is a loss but his life was a blessing. Best wishes to the Hewitt family and friends of Ed's.*

When my Husband was extremely ill, and we needed help the most, Ed and his Family gave of their time and talents to really make a difference in our lives.. I will always consider them two of the best friends i had in Indiana, I think Heaven will welcome Ed with his big heart and warm and friendly ways with open arms. My prayers are with Linda and Family as I know many, many others are. Sincerely, Joyce Henke*

“ Linda and family I am saddened and sorry to hear of Ed’s passing. There are so many fond memories going through my mind, the day you and Ed stopped by the ice Plant and introduced yourself. It didn’t take long for us to become friends. Our golf outings each week traveling around Indiana to play different courses. WhT fun that was. Linda always having dinner parties for out group of golf friends. You both were such wonderful hosts. Your visits to us in Florida during the winter. We missed you when you moved away to Alabama but understood the desire to get away from the cold winters in Indiana, as we were doing the same just couldn’t make it permanent. It was great while it lasted. I pray that God will grant you and your family peace during this time and forevermore. I love you dear friend.

“ Linda and family, we will never forget the warm welcome you gave us when joining the Peace family. And George loved the many tidbits Linda gave me while on church council. We will truly miss Ed and his smiling face. We are heading to IL. to visit our girls and grandkids so will not be able to come to Ed’s funeral. We will be there in thought and prayer. 🙏😊

Ed and Linda Hewitt were two of the first friends my wife and I made when we moved to Foley, AL, and joined GlenLakes Golf Club. As we think of all of the people we've known in our lives, one thing about Ed stands out above all others. Ed was always smiling and willing to help in any way he could (which was many). He is and was the consummate Christian so there is no doubt in our minds where Ed is resting now -- visiting with family and old friends and waiting for those who will join him later. God Bless You, Ed, for all that you've done to make this world a better place.
