“ Ed was one of my classmates for eight years of elementary school at St. John the Baptist School and Parish in Menominee, Michigan. So many memories of those years and so few to share them with, because we were such a small group; this is an opportunity to express the positive, happy memories of Ed (Eddie), his parents, and his genuine, positive, kind outlook on life. That influenced me. We in that small class at St. John's lost track of one another as we went on to different high schools and lives, but I have always remembered Ed with appreciation for the genuinely good person he was, even when we were children. I wish the opportunity to express that had come sooner, but am so happy to learn of his life and devoted family. My deepest condolences to all of you. Praying that you find comfort in his memory.

Yours sincerely,

Foley Ann Vickerman Haslam

(Foley is a traditional Irish surname and I was named after my Irish grandmother; I lived in my husband's hometown of Mountain Brooke, Ala., for a brief period, so I know Alabama a bit - Foley, near the Gulf Coast, is lovely. I'm happy Ed and his family could enjoy it!)
