“ *Betty was my sister-in-law.*

I remember the times I'd visit when the family lived in Thompsonville and Rhinebeck. One of my lasting memories as a child was when Betty taught me how to swallow a pill - it took hours and tasted awful :)

Betty and Pete - they were the yin and yang that created such remarkable children. All seven children were very much loved by a strict and doting mother who believed each to be brilliant and unique.

Our love and sympathy to you all

“ My memory was from a long time ago. I wish I got to see her more recently. Back then she was a strong mom of a big family and she kind of was tough, yet kind.
Our prayers are with her family at this time. God bless her and look over her.
