“ I am/was Betty Ann and Bob's next neighbor and I had just got home from work. we were talking while Betty Ann was sitting on her porch. I heard a funny saying at work and started teasing Betty Ann with it. Every chance I got. She laughed so hard she had tears coming down her face. then she would go into a coughing fit. The saying is "Come here and let me lick your pancake." but I said it just right and that would get her laughing again. Bob and Betty Ann were great neighbors, Bella my little dog would tease Max you can't touch me, every time he went to sniff her behind. Betty Ann started laughing and if Bella had it in her mind to leave the house, it was because she wanted to go over to see Uncle Bob. We had tried three times to get her back in the house and she would not come home until she seen Uncle Bob. Another story was when her and Paula used to go to yard sales. They both would take their dogs Max and Annie, Max would always be a bad boy and honk the horn, lock the doors, eat their left overs, or roll down the windows. That was funny. I was laughing so hard.

Just wanted to let you know your family will be in my prayers and I am so sorry of the loss of Betty Ann, she is now playing with Paula and the two of them are shopping at yard sales. Gathering more stuff they don't need.
