“ *My Dear Friend, Rose, I did not know until now that You had passed on into Heavenly Glory. My prayers continue for You as they always have. I miss our walks around town and your love for the plants and flowers we found. I miss your voice and your kind, gentle way of fellowshiping as Christian sisters. That is how I felt about You, My Sister. I was saddened by Your health and other troubles and wanted only the very best and the most happiness for You. I wish we had more time together. I look forward to seeing You again when I arrive in Heaven where we can take walks and enjoy eternal life with our Redeemer Jesus Christ and His other Believers as He promised. I am certain You are settled into Your mansion, growing Your garden and blessing everyone with Your own delicious carefully prepared foods. I am sorry we could not spend more time here in life together, but there in Heaven we will have friendship with no limit. Bless You My Dear Friend! You are safe now and restored to perfect health and happiness. Thank God and Our Lord Jesus Christ! I miss You until then, My Dear Friend Rose.*
