

Elmer E Wolfe IV

February 15, 1958 - July 15, 2020

Elmer E. Wolfe IV (Sonny), 62 yrs of age, went home to be with the lord on July 15, 2020.

Sonny was a Jack-of-all-trades; he worked on tugboats/shrimp boats, he built limos and ambulances. He was also a sheetmetal fabricator for many years. In 2003, he opened his own sheetmetal and welding shop and that's where he ended his career.

He enjoyed fishing, shrimping, boating, jet skiing- his happy place was on the water. He loved cooking, grilling and was a master of it. He was a connoisseur of all music, a very versatile style. He loved nothing more than spending time with his family and friends, he was the life of any party and a free spirit.

He is survived by his daughter Brandy Wolfe (39) of Winter Park, FL; loving ex-wife Kim Wolfe of Winter Park; sister Kay Wolfe of Madison, AL; and three nieces Shelby Weaver, Katie Cooper and Laura Lee.

The family will be holding a celebration of life later this year. The family will contact everyone when the date & time is determined.

“ i first met the Wolfe family members, Elmer, Carrie, Sonny and Kay when my mother, Alma Smith, worked as a bookkeeper at Doering Tire in Foley, AL. Elmer had his TV and electronics repair shop in the back of Doering's store. Carrie would come in to keep Elmer's books and she and my mom soon became close friends. My mom and I were invited to the Wolfe's home on Magnolia River in Magnolia Springs many times. Yes, if Sonny was there, he was the life of the party, as his dad was more reserved and spent a lot of his free time in his hobby room with his ham radio. The Wolfe family was also friends with other friends of ours, Charles, Laura, Lou and John Boller.

Lou Boller Bennett just told me this morning that Sonny had passed away. Although I did not know Sonny as well as I did Kay, he certainly overcame some teenage and early adult life obstacles to become such a talented and gifted individual.

My sympathy goes out to his loving survivors.

“ I fell in love with you 48 yrs ago. We were married for 32 years and we raised our wonderful, smart, compassionate and beautiful daughter Brandy. I know she was your pride and joy. I could not have asked for a better man to have raised her. You taught her so much in her 39 years and she will cherish those memories and lessons for the rest of her life. I have no clue what life is going to be like without you in my life. Fortunately, I have a life time of memories that I will cherish until I see you again. My heart is truly broken, never dreamed I would lose you so soon and so unexpected. Thank you for loving me all these years. You will truly be missed and you will be in my heart every day.

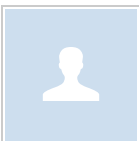

P.S. Pistol will be well taken care of ♡

“ Dad, where to even begin...I never ever thought I'd have to say goodbye to you, we had such a great conversation just a few days before me having to make the call to send you home to the lord. I wanted nothing more than for your body to be strong enough to pull thru the surgery. I would of gave anything up, to have been able to bring you home with me. Your body was ready to rest and I couldn't pull myself to let you live as you would have been, I hope you feel I made the right decision. I will most likely write you many times, when a memory comes to my mind or, I'm just missing you. I know I'll miss you forever Dad, I still needed you, still needed to talk to you, still had so many things to say. When my time is up, I will finally get those moments back with you. Thank you for a fun and loving childhood. From teaching me how to work on things to going out to the river every weekend. You were such a fun and free spirit and made sure I never went without. Thank you for loving me and letting me be the light of your life, even in hard times, you would always find a way to do your best to be there for me. I will love you until I see you again. This isn't goodbye, its see you again. Rest easy Daddy, I love you.
