Bruce was a very gentle soul. Everyone who had the privilege to know him counted themselves blessed. He always had a smile on his face and a cup of coffee in his hands. He loved his family more than anything else in this world. There was no problem too big or too small for him to tackle. If he thought, he could help it made him happy. I guess you could say he was a jack of all

trades and master of none, at least that's how he would put it.

He was a quiet man with a big heart. Bruce owned and operated a tree service company for many years. He could climb a pine tree faster than anyone I have ever seen. He loved to fish, hunt and work on cars. He was always there with a helping hand to family, friends and neighbors alike. This is not good bye but til we see you again.
