“ Gene was a wonderful friend to both Dale and myself. I met Gene when he was MFC chief and I was on the first aid squad and the squad would accompany the fire company on drills at the local fire academy. Gene was always very appreciative of our attendance, taking vitals and watching over the firefighters. Through this link, we became good friends and I met my future husband through him. I became a frequent visitor at the firehouse and Gene always had a pleasant comment, a good joke and a smile. He was a great chief, always encouraging his firefighters. Dale and I will miss Gene. Our sincerest condolences to Cindy, Connor, Olivia and his extended family.

“ We are heartbroken by the loss of Gene. You are all in our thoughts and prayers. May the lord bring you peace and comfort.
With love, The Melo Family
