“ Lee was so beautiful inside and out . He was a amazing man . He gave his all to everything he did . He loved everyone . His heart was so full of love .
He always made me feel very important and spoiled with love . He never argued with me about anything. He was my perfect husband. He took he took me fish a lot and hunting in Montana .
We had walked for miles up and down mountains . We found me a deer to shoot and I aim and shot . Got my kill . Well Lee put the gutted deer on his shoulders and I carried the guns . I hear baby baby as I am walking down a mountain and I turned and looked and here comes Lee rolling with that deer around his shoulders rolling down the mountain. I moved out of the way and he stopped at the bottom and was fine .
He was a man's man . Worked hard and played hard too . Just a amazing husband ,father , grand father, son ,brother and a best friend. I love you MY LOVE FOREVER .

“Where do I start? I can't believe this has happened to you! 💔😭
Thank you for all the love you shared with me and my family. Even when you came over one day and picked up your niece Tiffany and was tossing her in the air, she loved it! That is until her head was put into the ceiling fan. It scared us all, but she was fine and once we knew that we laughed so hard!😭😭 That story has been shared many times, and we still get a good laugh from it! I dreamed that when Bill seen you coming into heaven he said " Lee, how the heck have you been doing"? Then I woke up crying like a baby. 😭😭😭

I'm sure when our sweet daddy seen you he was so happy. As well as our oldest brother Lonnie, our grandparents, Aunt Wal, our Beautiful Mama, your Beautiful mother-in-law Jaunita, Chriissy D. , Corey Aunt Oweta (you called her aunt Pat.) So many more I just can't think of them all right now. I have to say I'm so jealous of the Angels right now. I know you looked so good in your perfectly fit set of Angel wings. I will miss you all the days of my life left here on earth. I pray you knew just how much I loved you brother. Watch over us all Lee. Especially your Beautiful wife and your children and grandchildren. Keep your light shining bright to help us know you are with us. Thank you for sharing your Beautiful family with us. Help give them comfort and peace through this very hard time and the many more days to come. I miss you deep in my soul Lee. Thank you for being Bill's driver and worker while he worked the prison in Atmore. He was so grateful for you! I was too! We had many good times, shared many stories and laughs. I will miss that. Thank you for serving our country and fought for our freedom. You were my hero! I was planning on coming to stay a couple of days with you and Vickie real soon, but our God had other plans for you. It hurts brother and it hurts bad. Oh how you are gonna be missed!

💔😭💔😭 Already are!💔😭💔😭

Give my love and some hugs to all our loved ones that met you at heaven's gate. Save me a seat up there. I know you will. Whisper to your wife and children how Beautiful Heaven is. Thank our God for sharing you with all of us. So much more I want to say but the words just keep me stumbling up. With my heavy heart 💔 and eyes full of

tears 😭😭 just know you will always be loved and missed by not just me, but every one that ever had the privilege of knowing you. I will always love and miss you my Beautiful brother Lee! 💔😭💔😭 You were definitely one of a kind! Again, I'm so jealous of the Angels right now! 💔😭 Love your sister Laurie. ❤️❤️❤️
