“ *Tony and I worked with Frank for many yrs. at Aristech Acrylics. I remember when i worked at the Round Up club and Frank was dressed as a werewolf on a chain on halloween! this is my greatest memory of him. He was a great guy. He also found the house for us that we still live in today. Thank you Frank for finding us a great home! We are so sorry for your loss. R.I.P. Frank. Tony and Wanda Casey*

“ Frank and I were friends for many years. Back in the early 90's he dressed up as Santa Claus and came to the back of our house, peered in the window so our little girl would see him. He just shook his finger at her and laid a candy cane on the window sill. She still talks about that.

“ *My uncle Frank use to take me to Friendship Indiana were we see muzzle loading, trade shows and flea markets, I was 7 years old at that time. I had a great time.*

*Uncle Frank was the best makeup artist he should have been in Hollywood doing special effects. I still to this day, 40 years later can see him as a horrifying werewolf coming through the front door, and me running through the house to my room and locking my door until he left. I would not come out for hours.*

*Frank use to take my cousin Todd and I fishing at Chaps Lake in Florence we would fish all day and catch Perch, Crappie and Cat Fish. Frank was and is one of my favorite uncles I will miss him dearly.*
